MAHATMA MOHANDAS KARAMACHAND GANDHIJI

Dear Sir

We the Members of the Mysore City Municipal Council have the greatest pleasure in welcoming you again to our city after a long interval of more than 6 years Your visit this time is of special significance in that your great influence and personality have been directed to a social cause of far reaching importance The removal of the disabilities under which our less fortunate brethren the Harijans are labouring under has been we are aware your life long ambition and your self less endeavour and no one is better able to give a lead and impetus to the movement now than your esteemed self

We in Mysore have not been forgetful of the duty that we owe to our Harijan fellow subjects and in an unostentatious way we have been trying to ameliorate the condition of the depressed classes amongst us More than two decades ago this Municipality with the co-operation of the Mysore City Improvement Board and support of our benign Government made a move to provide healthy quarter to the Harijans of the city and as a result thereof laid out at an appreciable cost a healthy extension for them to the south of the city A visit to this centre will convince you Sir of the efforts we are making to provide as many civic amenities to this Extention as are available to the others

The problem of housing one class of our employees viz the sweepers has also been engaging the attention of the Municipal Council and recently we have resolved to construct suitable tenements for these people in healthy localities in the city

Though your visit is very brief we hope you will be impressed with our endeavours in the cause of the uplift of the depressed classes which are imbued with sincerity of purpose and inspire us with your noble example and advice We earnestly hope that your stay with us may enable you to carry with you happy recollections of a city which is always anxious to extend a hearty and sincere welcome to you

We need hardly assure you of our great esteem and affection for you and we wish you long life and pray to God that you may be granted health and strength to carry on the great task you have undertaken to a successful end

We beg to remain

Yours faithfully
